TRIDENT VALLEY TOPICS

THE start of the second round in first division and reserves produced very favourable results for our club. The club also held a beginning of second round function which was very well attended and by all reports, well enjoyed .

FIRST DIVISION

Trident Valley displayed their true form by trouncing Salisbury 5-0. After 25 minutes Frank Mengotti latched onto a poor clearance, headed the ball downwards, evaded two defenders and sent a low 18 metre drive into the corner. Fifteen minutes from halftime, Peter Carey had an excellent goal disallowed for an apparent offside, although the player concerned was not interfering with play. Bad luck Pete. With five minutes left to halftime, John Kennedy received a good through ball from Ian Gentles and sent a low shot under the advancing keeper. We had two good chances early in the second half and then Salisbury came back into the match. It was at this point that our latest acquisition Peter Gee, and the vast experience of Ian Rathmell, Micky Hayes, Dennis Lockhart and The Doog repelled their attempts. With 30 minutes left Carey was rewarded for his efforts with a gift goal. John Kennedy then received the ball on the left, and fired in a shot which the keeper could only parry and the ever alert Gentles was on hand to score. With only minutes left, Kennedy received a great through ball from Tommy Pike which outstripped the defence and he knocked in his second goal.

FIRST DIVISION RESERVES

Trident Valley won their second fixture of the season and what a good win it was. The first half ended scoreless but the deadlock was split midway through the second session when Robby Rogers took a throw in and Leo Beninca was bundled over, from which we received a penalty. Leo took the penalty and made no mistake. Trident put on the pressure and a good cross from Garrie Lake saw Micky Dorian execute a classic goal on the volley. In the dying minutes Lake scored again to make it 3-0.

FOURTH DIVISION

This team also had their first win of the season when they downed Wacol Wanderers 14-0. I am told that none of our players were kept in but I have my doubts as several of them did not attend the club function that evening.

COLTS B

This was the only team which marred a 100 percent record for the club. Hosting the Gold Coast and being full of confidence after some good results, they lost 4-1. Trident Valley opened the scoring but it was 1-1 at halftime. Midway through the second half Gold Coast went to the lead when our keeper misjudged and the ball went over his head. Another mistake allowed Gold Coast to score again but I must mention that Trident then went close to scoring on four different occasions. The Gold Coast keeper was either fortunate or he is one of the best around, for his age, as he made some fantastic saves. The Gold Coast even had a man sent off but were able to score again to win 4-1.

UNDER 12

This is my favourite team and they are a pleasure to watch. They hosted Pine Rivers and came out winners 1-0. Some very good keeping by our player made all the difference. He was superb and keep up the good work. In closing, I ask everyone to support those who support Soccer. Trident Valley Football club wishes to thank the Valley Business Council, our sponsor, for their continuous support.

ANNERLEY ANALYSIS

by Club Members

FIRST DIVISION

We played at home against Sunnyside United at the start of the second round. Sunnyside, for the first 10 minutes started breathing "fire". Annerley held on for 9 minutes and in the 10th minute a gap appeared and a good goal was scored by Sunnyside. After this setback, a new determination appeared in the home side and in the 15th minute, Bill Perry broke down the left side of the park beating the goalkeeper only to have his shot stopped by a defender with his hand. Brian Lampitt made good use of the chance and made it one all. The game proceeded to see saw for the next 20 minutes with both sides missing opportunities.

In the 42nd minute, Bill Perry again broke down the left, crossed to the size 11 boot of John Bridges to be placed magnificently in the net to put us up 2-1 at halftime. Both teams started with great determination, no quarter given, good hard tackling, especially from Neil Catchpole who had to be helped from the field to be replaced by Neil Meurant to have his first run in the top team. By this time we were well into our stride with dashing runs by Nigel Fisher and great keeping by John Di with great encouragements from James Dabek from the side-line. In the 85th minute, Nigel Fisher made a dashing run down the park and crossed a superb ball which found the size 11 head of John Bridges to put the home side 3-1 for a very good win.

FIRST DIVISION RESERVE

Within 30 seconds we had a great chance when James Dabek chipped across the goal but Glen Harkness seemed a little surprised to find himself clear and missed a chance. We made up for it 6 minutes later when Laurie Christensen scored from close range after good lead up down the right wing. After 25 minutes the visitors missed a golden chance from an open goal but shot wide. Apart from one or two anxious moments we had most of the first half with numerous chances to score, but could only manage that one goal at the break.

The second half a Sunnyside player received the red card (swearing) in the first 5 minutes. The first 15 minutes saw Sunnyside right back into the game. In the next 10 minutes Annerley missed 3 golden chances. In the 25th minute Annerley received a penalty which was duly scored by David Crane. At the 40th minute David Crane scored again, 5 minutes later Peter Carter scored. Laurie Christensen did appear not destined to score. Sterling effort from back line again, special mention to Neil Meurant and Greg Cook.

FIFTH DIVISION

Annerley played away at Dunlop Park against Oxley United. Oxley started much the stronger and gave away a few free kicks with some late hard tackling. With quite a few Club injuries, and all teams playing on Saturday saw some of our players playing in odd positions and it did take some time to settle down. Oxley did score after 30 minutes but was disallowed, but made sure of it 2 minutes later. Not long after Alan Evans made a good effort but just skimmed the bar.

5 minutes later, good lead up work to winger Mark Sims who made a good cross for Michael Hurst to score. The second half started very slow and Annerley played much better soccer. Alan Evans made a big run along almost the length of the field and with a cross that brought the best out of the Oxley keeper. At times the new look midfield between Alan Evans Tony Gibbs and for this game, Michael Hurst worked well and should improve as the season goes on. Michael Hurst showed some excellent skills in ball control. The final result of one all is a true picture of the game, our determination to win was missing in this fixture.

CLUB PERSONALITY — Bill Williams

Bill has been writing our articles in GO SOCCER. He is a Life Member, Past President and Past Junior Treasurer as well as many other activities. He helped raise funds at the Annerley Junction for the Club for a record 14 years. The article this week was written by numerous members in Bill's absence as he had to attend a wedding and we are wondering WHO's.

MITCHELTON STABLE TALK

THE Mustangs played their home games last Sunday against Acacia Ridge at Perry Park and both played well to run out winners. The Reserves rate first mention for their well earned win against an unbeaten team. Mitchy settled down to play their best football of the season and both sides had good chances in the first half. Ridge were unlucky not to score in the 37th minute when a high Mitchy back pass hit the crossbar. Luck was against the Ridge again in the 69th minute when a hot drive was steered away by keeper Ross Gallagher. The result was in doubt until the 86th minute when a Mick Coffey cross found an unmarked Lex Robins, who made no mistake. Well done both teams with special mention to Mitchy's captain Peter Morey and Gallagher.

The first division match was an interesting affair with Mitchy having the better of the first half. Ridge almost opened up in the 39th minute but for a terrific reflex save by keeper David Gallagher. Three minutes later Garth Jones raced across the goalmouth and when he was unable to get his shot in, back-heeled over two players to David Mewburn, who was waiting at the far post. For the first 10 minutes of the second half Ridge came back strongly but was in the 59th minute that Mitchy's fortunes changed. A free kick was awarded outside the area and similar to last week Peter McDonald's touch found the left boot of Garth Jones, who slammed home No. 2. Within a minute of the kickoff Garth Jones raced through and crossed to Greg Hedge to make it 3-0. Then a Neil Orford cross found the head of Jones, whose goal made it three in only five minutes.

Ridge did not give up and pulled two back through a penalty and one from a goalmouth scramble. A good performance by all players but special mention must be made of Garth Jones, who scored two and made the final pass for the others — T.V.

Our Senior Colts v Brisbane Lions was the third of our four "home" games at Perry Park and from the start looked like being a very good game. Both sides had early chances and it could have been 1-1 early in the piece. In the 14th minute of the second half, Lions opened their account from a very doubtful offside decision. In the 23rd minute, the young Mitchy keeper Ian Walsh, playing his first keeper's role in senior colts was unlucky not to hold a good shot and could only watch it roll over the line. Lions scored again in the 32nd and 35th minutes to make it 4-0 but I thought it was a good game despite the scoreline.

We were unlucky to lose the services of Dale Naylor in the second half due to illness and hope it does not prove to be too bad, and that he is fit and well again before he reads this issue. The fifth division were at home to St. Albans but unfortunately this was also on Sunday so I have to rely on information from a good friend. My reporter advises that St. Albans were under pressure for most of the game and had to rely on the occasional breakaway for chances, which were few compared to those Mitchy had. It appears good teamwork made our chances and even St. Albans didn't know how they managed to keep us out. —

RIDGE REPORTING

ONCE again the Ridge paid the penalty for not taking their chances, which came to them early in this match against Mitchelton. Twice in the first 20 minutes they should have scored simple goals. Mitchie also had a good chance in the 21st minute but keeper Rob Farrow made a great save. Mitchie keeper Gallagher also denied Randall Jackson a goal just five minutes before halftime. In the 44th minute Mitchie took the lead when Garth Jones, after a good break and under pressure from Garth Wilson, back-heeled to Mewburn, who scored a good but simple goal. Again in the second half the Ridge found the going hard up front against a solid Mitchie defence, although John Gillespie just cleared the bar after being set up by Alan Hunter. Then after 59 minutes Mitchie blitzed the Ridge with three goals in five minutes, which really put the nails in the coffin.

The first was a free kick from Jones outside the box, which took a deflection to leave Farrow stranded. Before the Ridge had time to get over the setback, the ball was in the back of the net again. Jones left the defence flat-footed and passed to a teammate, who sidefooted home. Four minutes later that man Jones was there again, this time launching himself through the air to head in a beautiful goal.

Later in the half the Ridge got back into the game but the damage had been done. Johnny Queen could not believe his luck when Gallagher saved a fierce shot from close range. With six minutes left, the Ridge made it a little more respectable when Hunter scored from the penalty spot and right on fulltime Norm Bell scored our second from a goalmouth scramble.

It's been a long wait Norm. Best for the Ridge were Gillespie, Bell and Wilson. For Mitchie Grice and Gallagher performed well while Garth Jones stole the match, having a hand in all four goals. In the first game the Ridge crashed to their first defeat of the season, although it was not entirely surprising. Mitchie were the better team in the first half and Tony Fullalove was forced to clear a shot off our line. In the second half the pattern was similar. Unfortunately I missed the winning goal, scored with eight minutes left but from what I saw, they deserved their victory. I had a chance to watch the senior Colts and they had a good 3-0 win over Taringa, with a goal in the first half by Tony Fullalove and a further two in the second by who, I cannot tell you, as I have lost my piece of bloody paper. I thought Ridge keeper John Hillman was very impressive.

Mike Collins.

John Ferguson securely holding a corner ball in the match against Wynnum earlier in the season. Last week John was more than a little upset about being reminded of the ones that got away against Mt. Gravatt in the first clash at Dittmer Park. As results now show, he didn't slip up at all in the return match, so maybe last week's photo had the desired result. Incidentally, in the photo there are 7 Thistle players to 3 from Wynnum. That's probably why they didn't score from this one.

CLUB NEWS

Most of the Thistle teams now have their entrants in our Miss Grange Thistle quest with over half of the girls' soccer team now involved as entrants. Needless to say the girls team will not be having their own entrant. In fact they are looking for a boy from the Colts to enter on their behalf. They say they are not prejudiced, they'll enter anyone.

PLAYER NEWS, COMINGS AND GOINGS
GOINGS —
Derek Barron has now moved back to Melbourne after a 12 month stay in our fair State. He feels more at home back in colder climates in the fresh Melbourne weather, we wish him all the best.

Also going, John Paterson has decided the grass must be greener elsewhere, he has also decided to move on, he is still playing for our SEQ team but wishes to try his luck elsewhere.

COMINGS —
Big Pat Leatham has finally arrived from sunny England. Pat played for Frenchville last year in State League, but then went back home to work. He missed our football so much he couldn't wait to come back and should make his debut for Thistle this weekend.

—oOo—

Another big weekend coming up this weekend. On Saturday we have four senior matches in a row, starting at 1.30 with the Colts B, 3.30 we have the Colts A. 6.00 is time for the SEQ side, then, of course at 8.00 there is the State League match. So the canteen and bar could be fairly busy this Saturday. This weekend being a long weekend is a double up fixture weekend for the lower divisions. Our Colts make the short hop to Newmarket and Mitchelton, whilst the 4th's have the top of the table clash with RAAF at home. There could well be a few tired bodies on Monday night.

—o0o—

Having been taken to task last weekend for casting a very mild aspersion on a man in black, it's prudent to point out that by far the largest number of cautions issued this year have been for dissent, mostly by action, not words. This includes kicking the ball away. It's about time the higher grade referees had a long hard look at the referees in the lower divisions, particularly the Colts. Our Colts in particular have been dealt very harshly with of late, with numerous mind changes taking place, usually at the promptings of the opposition. The Colts is NOT the place to blood new referees. This is the Division for the up and coming players, not the has-beens, as appears to be the thoughts of certain officials.

—oOo—

On a brighter note, good to see the support for the 4th Division last weekend from Slacks Creek. A good atmosphere was generated at the match. Our officials were also very pleased to hear a word of praise from their opposition coach after the game on the way Thistle had played. Well done Keith Forrest, you brought a little ray of sunshine into our dressing room on Sunday. A very rare happening from opposition coaches.

GO SOCCER-VALLEY WORLD TRAVEL STATE LEAGUE

PLAYER OF THE YEAR AWARD

THANKS to the generosity of Guido Canale, the manager of Valley World Travel, Go Soccer is again able to conduct the Player of the Year competition for players in the State League. This is the third year the award has been conducted on State League, with the previous winners Steve Dolan in 1979 and Brian Kibbey last year. As usual, the winner receives a return air ticket for one to New Zealand, compliments of Valley World Travel. Remember, support the companies which regularly support Soccer and anytime you need travel requirements, make a point of getting in touch with Guido Canale. This year the points allocation will be slightly different and will be awarded covering the whole match, on a basis of 6-5-4-3-2-1 for the top six players of each particular game. Full points will be revealed up until the end of the first round, but then some will be concealed in the second round, to keep the winner's identity in doubt.

FROM THE EAGLES NEST

OUR first division and first division reserves played away against Taringa last week and it was a crying shame to see their efforts spoiled by such one-eyed refereeing. Taringa scored after 30 minutes from a penalty awarded from an incident which should have been an Eagles free kick. The second half was much more physical and Eagles fought an uphill battle. Taringa scored again when a player five yards offside was allowed to continue, and the most frustrated player on the field would have been Alan Marszalek. It makes you wonder just how much shirt-pulling, elbows in the back, and kicks in the ankles a player has to put up with before he loses his enjoyment for the game.

Yet Eagles managed to pull one goal back from Gordon McAndrew in the 65th minute and had another scored by Marszalek disallowed when the ball hit the netting under the crossbar and was kicked back out, yet play was allowed to continue. If I had to mark the referee's performance he could not get more than two points out of 10. One for being there and one for his efforts in the last 10 minutes. But killing the dog does not cure the bite and we can only hope for unbiased referees in our coming games. Our first division reserves are slowly putting things together and should be well satisfield with their 1-1 draw. Taringa scored after only 15 minutes and excellent keeping by Wayne Niven prevented any follow up. Paul Graveson scored Eagles' goal in the first minute of the second half and although things were even from then on, he could well have scored a late winner but for a fine save by the Taringa keeper.

I would like to take this opportunity of expressing the club's sympathy to young Richard Day, the Taringa player who suffered a broken leg in this game, and wish him a speedy recovery. Just a mention on our last Ampol Cup game against Eastern Suburbs, in which Eagles finished strongly to win by three corners to two in extra time. Our under 14 second division squad should also be given a mention. They worked their way out of third division last year, winning the premiership, championship and grand final without losing a game and are keeping their record intact this year as well. They took an Annerley's first division side for the championship first round, beating them 2-1 in spite of the loss of fullback David Chantler with a broken arm early in the game. Certainly a team their coach Gary Banks can be proud of.

A Feather from the Nest.

ON THE WYNNUM WAVELENGTH

NIGEL REHBOCK, 30, is one of the most experienced and well known members of Wynnum's State League squad. Nigel was purchased from St. George in 1977, after having started his career at Olympic. While with St. George he proved himself to be one of the State's most dangerous marksmen and was frequently at the top of the St. George scoring list.

The Rehbock of today is "slightly" heavier and slower than the hare of yesteryear but he is still a menacing threat to opposing defences with his strong bustling style and powerful shooting. After a disappointing 1980 season Nigel was almost ready to give the game away but the lure of State League was strong enough to entice him to give it another year.

He has worked hard at training this year and has been rewarded with five goals to date. His value to the team cannot only be measured in goals, as his strong running has often created opportunities for his teammates.

—oOo—

The Junior Committee have now filled their two vacant positions, Tony Furphy is Chairman and Brian Soames has taken over the job of registrar. Although the "office bearing" positions are filled, there is still a big need for people to help and chairman would like to see as many managers, coaches and parents as possible attend the junior meetings and put forward their views and ideas on any matter dealing with the juniors. To start the fund raising rolling a raffle is underway and all juniors and their parents are asked to get behind it and help all they can.

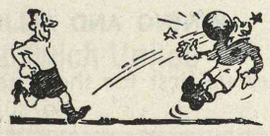
—oOo—

The George Fowler Memorial Shield being held at Maramba this Friday Night is the final being played between Wynnum Central and Wondall Rd. schools. The playoff for 3rd and 4th place will be between Wynnum North and Murarrie Schools. This is a local school competition which has proved to be very popular and successful within the district.

—oOo—

News filtering back from Mareeba indicates by all accounts that the Wolves were well received and that Mareeba officials' hospitality was of a high standard and the use of the bus provided was much appreciated, and although playing before a very partisan crowd it was not to bother the Wolves too much because they came away with both points from a 3-1 win.

A lot of the credit for the Wolves' success at Mareeba last week must go to Wolves strapper — Henry Howlett — who put many extra hours work in bringing D. Large back to full fitness during the week. As reported in last week's GO SOCCER, D. Large was carried from the field with a leg injury in our game against Easts. Fortunately Dave and Henry work together and this enabled Henry to work on Dave's injury at lunch breaks and smoko's.



SALISBURY SNIPPETS

After several decisive defeats Salisbury must urgently take stock to prevent relegation to the second division. Last week we were well beaten, 5-0 by Nereo Saftich's Trident-Valley — a defeat which came after poor losses to Mitchelton, 3-1 and Coalstars 4-1.

Although coach, Bob Stephan has been hampered in selection due to players unavailable through injury or outside commitments, everyone in the club must now lift their heads and fight to avoid the drop. After our dream start to the season things got tougher, but unfortunately some let their application wane. The teams we will play over the next three weeks are the ones we beat in the first round and to stay in this division we must beat them again.

Each player, whether he considers he has been pulling his weight or not, must strive to produce that bit extra. The training sessions, which some of late have been no more than a social kick about, must be planned to work on our weaknesses — namely forwards who have the skill but lack the confidence, an unimaginative midfield which tries little more than pushing balls through to offside strikers and a defence which has failed to tightly mark danger players.

And the players, who in the end will be the ones to decide the club's fate, must put effort into their training and show a will to win.

It has only been favourable results recently that have stopped a major slide to the bottom of the table but now the crunch has arrived and the club must start winning so as not to waste all the work done, not only this season, but for the past four or five years.

On Saturday we have our 1st home game for six weeks, thanks to some strange programming by the Queensland Soccer Federation, and must go all out to win in both grades. We play Annerley and our target surely must be four points. We took three in the corresponding fixture at Elder Park, a first division draw and a reserve grade win, but that was a scrappy performance.

But this weekend if everyone does their bit and thinks about what they are doing on the field, we can easily win what is our local derby.

In recent weeks we have succumbed to more skilful teams but to go down to Annerley this weekend would be humiliating. Let's get out there and show them what we can do!

A CRUEL BLOW

ADELAIDE — Adelaide City took an important step towards their first Philips Soccer League championship with a 1-0 win over high ranking Brisbane City at Olympic Sportsfield.

An 81st minute goal by teenager David Mitchell secured both points for the Adelaide side.

Mitchell struck his sixth goal of the season in front of national coach Les Schienflug, who was checking out players before naming his side to play Taiwan in Adelaide on June 10.

Mitchell 18, is a member of the youth Socceroos and looks a strong prospect to make his senior debut against the Taiwanese. He played a crucial part in the match against Brisbane City and was a constant threat to the Queenslanders, who were kept in the match mainly due to the brilliant goalkeeping of Martin Coe.

Coe stopped three certain goals in the first half, his best save came in the 36th minute when he blocked a point blank range shot from Charley Villani.

He was again in spectacular form after the restart to frustrate Adelaide City.

However, he could do little to stop Mitchell slotting the ball past him nine minutes from the end when he found the space in a crowded penalty area.

Brisbane could have snatched an equaliser late in the game but John McVeigh's header was cleared off the line by David Jones.

Adelaide City were frustrated by Brisbane's persistence and the Queenslanders looked as if they would share the points until Mitchell's goal.

They had the misfortune of seeing a 39th minute goal disallowed when referee Don Campbell ruled that Joe Palinkas was off-side when he lobbed the ball into the net.

SYDNEY SLICKERS

It is beyond any dispute: the Slickers have been the most successful team in the Philips League, twice winning the championship race and twice the Top Four series. All this in a neat arangement: something for every year since 1977, with only the Philips Cup eluding them.

Yet, amazingly enough, in this rich harvest period, they exerted only a modest influence on the Socceroo team with only Mullen, Watson, Stevenson and now Barnes, Boden and Spanos in calculations but seldom more than one or two at a time.

This, perhaps more than anything else, underlines the widely held belief that the Slickers owe their success to a team effort more than a handful of sparkling and erratic stars: theirs is a well-oiled, smoothly running unit with very few major ups and downs.

First Gerry Chaldi then Eddie Thomson guided the team to its triumphs — and neither worked in a fulltime, fully professional capacity. The Slickers' parent club, Hakoah, is firmly of the belief that in Australia's peculiar set-up, with "spare time" or "weekend" professional players, it is more necessary to have a solid management and team administration than a full-time coach.

This is particularly important for the Slickers who are desperate to build up their very modest crowd support into something worthy of Australia's top team having shed their former ethnic name, Hakoah, under which they played such a vital role in N.S.W. soccer for two decades, the Slickers are patiently and steadfastly working to extend their appeal from a former narrow base to a Sydney-wide public.

Their shift in 1980 to the remodelled Sydney Athletic field was part of this strategy; as a result, they had their best crowds in 1980 and one of the few clubs showing an increase during a year more characterised by declines. Sydney Slickers in recent years have been the most prudent buyers of talent: contrary to general belief they have been spending very little on new players. In 1980 it was Boden, now it's Kosmina — two players of international class — but very little else and even these expenses have been largely offset by sales.

There can be very little doubt that in 1981 the Slickers will be there again, amongst the honours, somewhere near the top: their whole organisation is geared for that. If they can make further progress in their bid to increase their crowd support, they are likely to have a bumper season which, because of their careful planning and management practices, they so richly deserve.
