WYNNUM WOLVES

The "Hungi" which was mentioned in earlier edition of this magazine was held at the clubhouse on Friday night last and it was an unqualified success. Everything turned out terrifically, the food was cooked to perfection, thanks to the Maori chefs, the atmosphere was gay and the band very lively. Everyone ate and drank their fill and then proceeded to dance into the "wee small hours" of Saturday morning.

A great time was had by all, though no doubt some club members would like to forget parts of it or more to the point would like their fellow revellers to forget. One certain "club" coach gave his interpretation of a Maori dance, with wild abandon, whilst another playing member, having shown off his dancing ability with practically every female in the place, young and old, took, as his next partner, a garbage bin, of all things. Unfortunately he ended up in the bin. Still everyone enjoyed themselves and are asking when the next one is going to be held!!

Out of the last four games played by the S.E.Q. League there were three defeats and only one win. Rather than report on the four games, I would like to comment on some of the problems facing the S.E.Q. side.

This side is a reserve squad of players for the State League side and consequently must expect the situation that the team will change from week to week. In the four games mentioned, only four players took the field in all four games. This creates great pressure on the players to give 100% effort every week. The club has every right to expect a total efort every week but unfortunately not all players have been giving that effort and commitment. This lack of effort from some of the players contributed to the disgraceful result of one of their defeats. It is no good one or two players giving their all if the rest of the team is not going to support them. More concentratd hard work at training, together with increased effort and commitment on the field, will see Wynnum winning more games.

Nice to see our Senior players keeping their sense of humour. During the game on Sunday last Nigel Rehbock was replaced in the second half because of an ankle inury received the previous week in the Ampol Cup game. At the time he was replaced, the Wolves were down 2-0 to Gold Coast. After the game which ended in a 3-2 win to Wynnum, Nigel asked the coach if he was in time to put his name down for a seat on the supporters bus to Bundaberg next week!!

The Wynnum Under 15 boys had a very lean first round of the season, emerging with only 1 point from 5 matches. The football played was well below standard and the ability of most players a managers nightmare!!

However a pleasing change seemed to come in the first match of the second round with a tightened and organised defence. The passing of the ball seemed to come naturally again, being 2-1 down at one stage the game could have gone either way. In the end the condition let them down. Although they lost 4-1, it was a result far from being disgraced.

The boys started off the second game of the second round where they had left off in the previous match. Until about 25 minutes to go it was still a scoreless and their result. However, after being 1-0 down they fell apart, because they did not adhere to instructions. About half a dozen chances went begging in the final 15 minutes which could have easily turned the final result into a win. Best players for both matches were, C. Rush, S. Martin, S. Kelk, W. Davie and the rest were not very far behind them. Also S. Wilson and H. Muir covered a lot of ground.

very heartening to see so much support at Maramba from Waterloo Bay soccer lads. Of course, the attraction is two of their former team mates — Keith Walker and Lance Edmunds, but nevertheless it is support which is very much appreciated. Keith and Lance are two Wynnum juniors from the mid 70's, who have been playing in the Waterloo Bay team for the past few years and have now returned to the fold.

Last week I mentioned that our U/9's lived to fight another day in the Junior Championships games when they drew with Slacks Creek, and, fight they did last Sunday at Runcorn and came away by winning 2 to nil to go through to the quarter finals. These boys certainly gave their very vocal supporters plenty of thrills and excitment for all of the 40 minutes. Jon Kelk, John Lawton, Mark Soames and Wade Mason did a magnificent job of attacking in a very fast moving game and Leslie Hubbard, Chris Furphy and Michael Skinner played equally as well in defence. Theoretically, these were basically the positions the boys were to play, but at times, in their excitment, seven boys were attacking whilst at other times all seven were back in defence. The goalie, Paul Broanda, had a brilliant game in goals and the two half time replacements, Jason McGilvery and Terry Empelton lacked nothing of what the other boys were giving — everything they had!! Good luck boys in your next battle!

LETTER TO THE EDITOR

Dear Sir,
re: Article on Soccer on 9th May, 1981

Townsville Kern United were invited by a syndicate of local businessmen in Townsville to become a participant in a syndicate to purchase Lowths Hotel. Following this acquisition, the Queensland Soccer Federation agreed that all touring teams in the State Soccer League, would stay at Lowths Hotel. When the arrangements were made for the Philips Cup match, the Philips Soccer League Secretary, Mr. Paul Kemp, made a booking at Lowths Hotel for the Brisbane Lions party. Apparently Brisbane Lions then objected and insisted that they should stay at the Travelodge Hotel in Townsville, although he kept the original bookings that had been made for the referee and official from the Philips League at Lowths Hotel.

Due to the airline strike, that then caused the Brisbane Lions party to fly by Bush Pilot Airways, the referee did not come from the South, neither did the PSL official, and as such the accommodation that had been booked for them at Lowths was not used.

A telegram was sent by this Club five days prior to the match to the President of Brisbane Lions Soccer Club, advising him that Townsville United had a financial interest in Lowths Hotel and requesting that for the good of soccer, that his club reconsider their attitude as to accommodation. The club did not receive a reply from Brisbane Lions.

The discussion of Brisbane Lions to stay at Lowths Hotel caused considerable embarrassment to the Directors of Townsville United Soccer Club. There are not many instances in Australia where a group of businessmen have offered a share of a leading Hotel (cost of approximately $2.000,000) to a soccer club for no financial outlay at all. Townsville United stands to earn considerable sums of money in this investment in years to come. The action of the Townsville businessmen in inviting Townsville United to be a participant in the Hotel venture, was made in the belief that the total soccer community would support the club in that venture, unfortunately, Brisbane Lions attitude showed that this was not the case.

As this club had been severely embarrassed by the action of Brisbane Lions, we felt that we had no obligation to show any after match hospitality to the Brisbane Lions party.

Co-operation in soccer is a two-way street. Brisbane Lions definitely did not extend any co-operation or hospitality to this club, when they turned down the PSL booking of Lowths Hotel, and we therefore felt that we were under no compulsion whatsoever, to host any function for the benefit of Brisbane Lions players.

It is very unfortunate that this incident took place and assure your readers that Townsville United will continue to extend its traditional hospitality to all visiting teams to Townsville, so that they are prepared to pull togeher in the promotion of soccer in this State.

Yours sincerely,
P. J. TOWERS,
Chairman of Directors,
Townsville United Soccer Club Limited.

Annerley analysis

With Acacia Ridge regularly reporting in GO SOCCER, I thought I would try to do things a bit differently this week and look objectively at the first division and reserve after each match. I'm sure no one would want two similar ball by ball reports, but it will be interesting to see whether the Ridge Reporter and I agree on our match views.

FIRST DIVISION RESERVE —

On a cold windy day, the first half was notable mainly for three things. The first was the visitors goal, well taken after 20 minutes. Then the second was when Acacia Ridge No. 6 used a four letter word in reference to marking the goalkeeper which was heard all round the ground. No action by the referee who was only metres away and a lot closer than me, and I heard it clearly. As we have had players sent off for less than this, where is the consistency? Thirdly, just before half time, the mysterious send off of our Neil Meurant, left us with 10 men for the rest of the game.

In the second half, with the wind, we had the visitors under pressure for most of the time but could not gain the equaliser and the final result was that first half goal to Acacia Ridge. After writing last week about being nice to referees,

Continued on page 5

RIDGE REPORTING

THERE was no way I would have said before kickoff that either team would have won 5-1, our scoreline against Annerley, especially after watching a rather tedious first half. Alan Hunter looked like scoring after nine minutes after a corner by Ferret Kean, but had his shot cleared off the line. John Gillespie also went close with a good drive. Annerley had their best chance in the 25th minute when a 30 metre shot from Ronnie Tong just missed the upright. In the 35th minute Brian Lampitt missed a great chance to give Annerley the lead but had his penalty well saved by keeper Bobby 'Soxs' Farrow. Annerley almost scored just after halftime but Farrow again saved well. In the next 20 minutes the Ridge tore the Annerley defence to pieces. After 48 minutes Captain Cruick hit home a great goal from 25 metres after leadup from Kean and Murray Kitching. Soon after Hunter made it 2-0 with a free kick just outside the area, which barely left the ground and in the 61st minute the Ridge scored what I consider the goal of the game when Steve Gallagher headed in a beauty from a long drop kick from Farrow.

He met it just inside the area and in doing so collided with Annerley keeper John Di, who was going for a 50-50 ball. Referee Jack Wood gave Annerley a free kick, which I failed to see. In the clash both players received heavy knocks and unfortunately for Annerley John Di looked very sick. I hope you will be OK John as you have been playing well for your club this year. Shortly after, Hunter made it 3-0 from the penalty spot after Nev Cruickshanks met an ex-cane cutter in the area.

In the 70th minute Gallagher got his revenge when he latched onto a poor back pass to steer the ball past a helpless keeper. Just after, Annerley pulled one back when keeper Farrow grabbed hold of a pair of Annerley legs instead of the ball. The spot kick was well saved but referee Wood ruled that he had moved and the retake was well tucked away to make it 4-1. Murray Kitching was unlucky not to score in the 73rd minute with a well directed header but the keeper did well to tip it over the bar. Just after Jimmy Spence was just wide. With 4 minutes remaining, Spence broke through the Annerley defence and with just the keeper to beat, crossed the ball across the area where Kitching came sliding in to make a final score of Acacia Ridge 5, Annerley 0.

The Ridge did today what they could have been doing all season, by having a go in front of goal. I hope the lesson was knocked in too. Two players who deserve special mention were keeper Farrow, who had an outstanding game and big Al who was playing his first game there for the club. At central defender, he had a real blinder and looked a tower of strength in the Acacia Ridge side.

In the early game, the Ridge won a lack lustre game 1-0 with a goal from Ian Foster in the 25th minute. Soon after Foster again set up Mal Evans with a good pass, but the Annerley keeper did very well to put it away for a corner. With only a couple of minutes remaining before the break, Steve Butters looked like scoring when he received a ball from Carningham on the far post, but his thunderous shot hit the uprights. The second half was a very even affair with both teams guilty of missing good chances on goal. In fact Annerley nearly got a point out of it in the dying minutes but keeper Fuzzy Hill saved well. Coach Jimmy Bentley said he was pleased with his performance throughout the game. I thought his big brother Fuzz had a good game at left back. As did Ian Foster playing much better today than of late.

But I do wish he would pull up his bleeding socks before the kick-off. I would just like to wish a couple of ladies from the club a speedy recovery in hospital, Chris Burgess and Narelle McFarlane. Hope to see you around and kicking shortly.

Mike Collins.

ANNERLEY ANALYSIS — from page 3

I'm afraid I can't do it for this one. There were some strange decisions for and against both sides, and he had me shaking my head in wonder at times. Our best player was Jim Dabek, with good efforts also from Glenn Burden, Peter de Warren and Laurie Christensen. Although the Ridge hit the post on two occasions, we had plenty of chances and must be considered unlucky to lose.

FIRST DIVISION —

The wind did not worry these players too much and the game moved swiftly from end to end right from the start. Acacia Ridge started in their usual fast style, even against the wind, but after we settled down it was an even first half ending with no score. We had missed a penalty when a defender handled on their goal line from Ron Tong's shot, but Brian Lampitt missed the opportunity.

Straight into the second half the visitors scored and then again ten minutes later to put them up 2-0. Soon after there followed an unfortunate incident when a through ball resulted in a collision between our keeper and an attacker and John D had to be carried off on a stretcher. Fortunately his injuries were not as serious as first thought and he recovered after treatment.

ANNERLEY ANAYLSIS — from page 5

The Ridge made no mistake from a penalty and we were down 3-0. Another from the visitors made it 4-0, but we got one back when John Bridge converted a penalty at the second attempt. Final score was 5-1, a bad result for us, but credit to the Ridge for their display. It became a matter of players sticking to their task for us and in this Ron Tong, Bill Perry, John Bridge and Brian Barnes could not be faulted. Phil Hall again was solid in defence. I feel I must compliment Jack Wood on his refereeing as he was in control all the time and most decisions were clear and well defined.

FIFTH DIVISION —

After our customary slow start and against the run of play an almost perfect back header from Keith Sharrack to the feet of Peter Carter and as usual, made no mistake. About 5 minutes later Rovers hit the top bar and was very unlucky not to be equalised. Late in the first half Tony Gibbs shot for goals and it was deflected in the goals by a defender to put us 2-0 up.

We had the wind in this first half and we played fairly well but we had to face the wind later. Early in the second half we gave away a penalty and our hosts made no mistake, 2-1 to us.

Rovers soon after had a very good chance to even the score with some slack defence but our keeper, Mick Peck, kept us in the game with a reflex save. Rovers did equalise from a not well taken corner that went straight through our defence. We should have cleared it well before it got anywhere near the goal. We got away with a lucky draw. Not good when you consider we are equal top and Rovers are equal second last!

Rovers certainly played rough and we retaliated due to our inexperience.

Yellow cards seem to be the order of the day from a very lack-lustre refereeing performance. We gave away too many free kicks in very dangerous positions, and were putting ourselves under pressure instead of attack. We need players who never give up, like Mick Peck, Peter Carter, Michael Hurst, Alan Evans, Mark Sims and Tony Gibbs. Whether in or out of form these players give their most.

The Club would like to give a special thanks to Sharon and Paul Welsh for their help at the Canteen and Bar.

The Poland v Uruguay game in Brisbane should be a classical confrontation of conflicting European and South American techniques. West Germany have now thrown the field wide open and

Continued on page 8

ANNERLEY ANALYSIS — from page 7

must be very strongly fancied for one of the final placings in The Coca-Cola Cup.

England Youth boss John Cartwright stated: "We video-taped two of West Germany's games. They are well prepared having played some 30 odd games together over the last year. They combine good team understanding with a high level of individual skill and are making the most of their late entry into The Coca-Cola Cup series."

John Cartwright continued: "Spain too ,were one of the best sides, very strong in defence and quick on the break. It just confirms my belief that the Coca-Cola Cup will be a good entertaining spectacle. Standards will be high, and it will be a great experience for players involved."

After England's poor showing in the European Youth Championship, the Australian Youth team must have a real chance of qualifying for the Quarter-finals with Argentina from the Sydney group.

Italy and Rumania are competing in the same group in Melbourne and will have to face another experienced South American side — Brazil.

Already The Coca-Cola Cup, 1981 is shaping up full of excitement and upsets.

CLUB PERSONALITIES —
Bev. & Lyle Spark.

These two do a tremendous amount for our Club, particularly with the canteen management. It's never been so good and we advise anyone coming to Annerley not to worry about bringing food as plentiful supplies are always available, thanks to Bev. and Lyle. Another two people on whom we are so dependant.

From the Eagles Nest

ON Saturday Southside Eagles first division and reserves were host to Darra. The first half was very evenly contested with neither side able to break through, although it seemed we had done so when John Perkins received the ball just inside Darra's half and made a run up the wing, cutting inside. He found about six feet of space, left the defenders just watching and struck the ball well, only to see Darra's keeper pull off an excellent save. In the second half we had more of the ball yet the back of the net was still elusive. In the 32nd minute, from a scramble in our 18 yard box, Darra were awarded a controversial penalty. But justice was done and luck was with us as the shot was well wide.

This seemed to give the team new hope and they were rewarded for their efforts 5 minutes before fulltime when Alan Marszaleck found Trevor Morris had made a run up the right with Mark Grice just outside him. He executed a perfectly timed pass under pressure straight to Grice, who headed for goal, with Morris staying close enough to him to take the pass if necessary.

But Grice needed no help as the keeper had come off his line, not knowing who would take the final shot. When he made his dive, Grice was able to side step and he made no mistake to provide Eagles with their 1-0 win. I would like to commend the referee as he had firm control of the game and neither side got away with very much. The reserves were not as lucky. In the first half, after being two goals up they had two penalties awarded against them in the space of five minutes to go off at halftime with the scores level. In the second half, after Eagles had used their two replacements, they were unlucky to lose their centre forward, Neville, with a suspected broken ankle and continued on with 10 men. This spurred Darra on and although Eagles tried to hold out the referee awarded another penalty, which Darra accepted to win 3-2.

A feather from the nest.

TRIDENT TOPICS

SOME good results came out of last weekend, starting with the first division's 1-0 win against Olympic. The first half should have finished with Trident three up but they did not pit away their chances. Second half was the same story and the forwards must learn to steady themselves instead of blasting and hoping for the best. Olympic broke through a few times but must have been watching our forwards, as they shot high, wide and handsome. Any on target were easily dealt with by Peter Gee. Frustration had set in and with 20 minutes to go, and with a few of our players with their heads down, most were thinking it would be a draw. But as this juncture our coach Nereo Saftich made the substitution which proved to be successful, with Garrie Lake replacing John Kennedy and Robby O'Hara replacing The Doog. With 15 minutes left Lake received a pass and found Ian Gentles, who beat the defence, drew the keeper and calmly slotted the winner home. There was a big sigh

CLUB NEWS

As mentioned last week, the rock opera "GODSPELL" is on at our Clubhouse this Sunday 28th June. It starts at 7.00 p.m. and will finish approx. 9.30 So it won't be a late night. There's a five piece band "Mangrove Jack" accompanying the singers, and this talent originated from St. Flannan's School at Zillmere. Prices are kept very reasonable at $3.00 per adult and $1.00 per children, so why not come along and join in the fun. All tickets sold are eligible for a draw in the lucky door prizes.
STOP PRESS: "Godspell" has had to be postponed to a date to be announced because of an accident to one of the cast. —MORE LATER.

—oOo—

Hair fashions are in the news on our playing fields at the moment. Firstly John Paterson arived at Lanham Park the other day looking decidedly different with his beautifully styled "curly" look, making everyone look twice to see if it really was him. Then Wilson Maelaua got his hair cut just prior to a match, which was even more stunning. Those that know, or can remember Wilson's big thatch of hair early in the season, would now get quite a large shock at the difference, he's hard to recognise with his new modern appearance.

—oOo—

Our SEQ coach Jim Balish is getting giddy at the way his side keep changing places with Easts on the table. Quite regularly they change from 4th to 5th and back again. He's determined that this time he's going to keep on climbing the ladder as he's fed up with seeing the same teams above him. His "other" team Colts A, originally led the table at the start of the season, but had a hiccup or two and dropped to fourth or fifth, there they sat for a while, now even they are starting the climb back to what they call "respectability".

Our other senior teams both had narrow escapes on the weekend, the 4th Division dropped their first point this year with an away draw to Woodridge, whilst the Colts B won their match with an excellent goal, but in the 87th minute. That's what I would call cutting it fine.

—oOo—

With the school holidays imminent, many parents wil realise over the next couple of weeks, that their local football club is not such a bad idea after all, as, with no fixtures, all these budding stars will be finding their entertainment at home. We, along with all other clubs, hope that this break will make our parents appreciate the club a little and not use it for their child-minding centre. 'Nuff said, hope the peace and solitude during training nights, will not last too long, as some of our teams are running hot at the moment, and there's nothing like losing their impetus with a break to make them fall back in the table.

—oOo—

4th Division coach Sandy Woodside was absent from all senior matches over the weekend, but he had a good reason, his wife Debbie was taken to hospital on Saturday night to add to their family. A baby girl arrived on Sunday evening and the popular choice for name appears to be Sarah Elizabeth. Congratulations to both Sandy and Debbie and we hope you teach the baby to speak English without the accent.

GRANGE THISTLE would like to thank the advertisers on this page for supporting soccer. We urge our supporters to support them.

Our other irrepressible Irishman Len Pollock, shown in a tussle with Wynnum's Tommy Gray, is finally starting to get on the score sheet with a bit more of the regularity that Lennie would like. He was one of our more prolific scorers last year, but has found the going a bit tougher this year. Go to it Lennie.

GO SOCCER-VALLEY WORLD TRAVEL STATE LEAGUE

PLAYER OF THE YEAR AWARD

THANKS to the generosity of Guido Canale, the manager of Valley World Travel, Go Soccer is again able to conduct the Player of the Year competition for players in the State League. This is the third year the award has been conducted on State League, with the previous winners Steve Dolan in 1979 and Brian Kibbey last year. As usual, the winner receives a return air ticket for one to New Zealand, compliments of Valley World Travel. Remember, support the companies which regularly support Soccer and anytime you need travel requirements, make a point of getting in touch with Guido Canale. This year the points allocation will be slightly different and will be awarded covering the whole match, on a basis of 6-5-4-3-2-1 for the top six players of each particular game. Full points will be revealed up until the end of the first round, but then some will be concealed in the second round, to keep the winner's identity in doubt.

With only five rounds remaining, certain points will be concealed in various ways each week, in order to keep the winner's identity secret until the end of the season. For last weekend's 13th round of fixtures, the players who received points will be listed, but their actual points are not disclosed.

MAREEBA UNITED v TOWNSVILLE UNITED: Ray Junna, Steve Trovalusci (M); Kevin Johnson, Mark Spiegelhauer, Mick Geoghegan, Paul Trovalusci (TKU).

CAPRICORNIA v GRANGE THISTLE: Peter Locke, Mark Rycen, Ken Swan (C); Kenny Gordon, Wilson Maelaua, Ross Swan (GT).

WYNNUM v GOLD COAST CITY: David Large, Allan Collins, Peter Lelliott (W); Gordon Geary, Dave Robbins, Steve Brown (GC).

EASTERN SUBURBS v ACROSS THE WAVES: Leon Wilson, Mark Brusasco, Phil Thompson, Gary Thomas (ES); John Wood, Gary Bromfield (ATW).

IPSWICH UNITED v MT. GRAVATT: Nev O'Sullivan, Jeff Dann, Richie Wilson (I), Bevan Bohan, Garry Bohan, Craig Dickson (Mt.G).

PROGRESSIVE points are also withheld this week, and it must be remembered that the Townsville v Mt. Gravatt match is still outstanding.

STATE LEAGUE ROUNDUP

WYNNUM 3 (Martens 75th; Collins 78th, 86th) d GOLD COAST CITY 2 (Geary 25th; Robbins 40th). Halftime 0-2. Referee, Gordon Nicholson, rating 7.

This must rate as Wynnum's most dramatic win of the season. Despite missing about three early chances, Wynnum found themselves down 2-0 at the break, through Gordon Geary's header from a corner, which Dave Mewburn got his hands to, and a well-taken breakaway by Dave Robbins. Coach Bill Bryant replaced Nigel Rehbock and Phil Campbell with Alan Martens and Keith Walker and the latter swung the game with his playing wide on the left, while Wendell Henderson looked after the right flank. Although Bryant forcast a 4-2 result for Wynnum at halftime, things didn't look too good with 15 minutes left. But Martens nipped in between Steve Brown and Ross Kelly to score with a header and only three minutes later Allan Collins despatched a diving header from a Walker cross. The winner came from Collins as he received a pass from the left, controlled, kept his head and bypassed Kelly.

GRANGE THISTLE 3 (Gordon 43rd, 77th; Pollock 65th) d CAPRICORNIA 2 (W. Druery 4th; B. Druery 30th). Halftime 1-2. Referee, Bill Monteverde, rating 7.

Capricornia got away to a great start with an early Wayne Druery penalty, who sent Jim Ferguson the wrong way after Ken Swan had been brought down during a solo run. The home side went two up after a bad defence mixup and Brett Druery worked his way between Ferguson and Huisdean Lazenby to find the back of the net. Near halftime, Ken Swan missed a chance from an acute angle, which really would have rocked Thistle, but from the defence clearance, Ricki Mangan and Kenny Gordon worked the ball downfield before the latter gave Capricornia little thanks for their promising 1st half effort. Thistle got on top in the midfield through Ross Swan but had to wait until the 65th minute for the equaliser, with Lenny Pollock hitting a great shot on the turn from just inside the box. Gordon completed an outstanding match when he burst through the square Rams defence to grab the winner. Capricornia missed their last chance for an equaliser with Paul Bevan on the burst delivering his left foot shot straight into Ferguson's arms.

TOWNSVILLE UNITED 4 (Trovalusci 65th, 85th; McGuiness 25th; Geoghegan 35th) d MAREEBA UNITED 0. Halftime 2-0. Referee, Bill Turkington, rating 8.

Despite all the upheaval during the week over the departure of Tim White, Townsville put it all together against their arch rivals, with new signing Paul Trovalusci responding to an understandable crowd reaction by scoring both second half goals in typical fashion. New coach Phil Figgins would have been happy with the great teamwork which enabled Townsville to lead comfortably at the break. Bobby McGuiness got the first after Dave Costa, playing in the midfield, provided a good pass, and the nippy striker side-footed home. The second goal from Mick Geoghegan was a classic, with the big fellow heading in a magnificent goal from the edge of the box.

MT. GRAVATT 2 (B. Bohan 70th; H. Stewart 80th) d IPSWICH UNITED 1 (Kathage 28th). Halftime 0-1. Referee, Gary Brownlie, rating 8.5.

This win by the Hawks was full of character as they suffered the serious losses of Mark Davis and Russell Stewart. Also there was an encouraging comeback by Mickey Rooney in the midfield. Ipswich looked good in the first half and deserved their lead when Bryan Kathage finished off a partly-saved Jon Kitching shot. Randall McKeand also just missed with 1 attempt. But despite the setbacks, Mt. Gravatt finished like a side looking for the title and justifiably completed the job with Bevan Bohan and Harry Stewart scoring in the last 20 minutes. Ipswich's best chance in this period was an Ian Lawrie left footer which just missed the upright.

EASTERN SUBURBS 1 (Brusasco 25th) d ACROSS THE WAVES 0. Halftime 1-0. Referee, Col Amos, rating 9.

Round 13 proved to be unlucky for Waves as most teams above them collected points, making their hopes of the semis all that much harder. To say they were unlucky would be incorrect, as their pattern of using the long ball from defence to front runners Tom Kenny and Gary Bromfield did not worry the solid Easts defence. Easts also dominated the midfield. Bromfield and Wood at times troubled the Easts defence. After 15 minutes Jeff Dolan cleared a Bromfield header off the line, in what was their best chance of the first half. In the 43rd minute, Wood chose to ignore supports on either side of him, decided to go alone and was dispossessed. In between those chances, Phil Thompson and Mark Brusasco combined with the latter cleverly despatching the former's corner. Brusasco had a shot cleared off the line but generally Easts failed to capitalise on chances created from the midfield, while Bruce Rehbock was kept well in check. Highlights of the 2nd half were John Gorza's save of a Thompson rocket and another from the midfielder which shot over the top. Waves' only second half chance was a Bromfield cross that went begging.

Continuing on page 19

TRIDENT TOPICS — from age 8

of relief from our supporters and poor finishing or good keeping from the Olympic custodian prevented Trident from winning by a greater margin.

In the Reserves, the game opened with Trident doing most of the attacking but they failed to score, even missing a penalty. The first goal came in the dying stages of the first half when a well taken corner by Mickey Dorian found Garrie Lake on the edge of the box and he chipped over the keeper, who was off his line. In the second half, Peter Agerholm "Rocky" scored from a Pepi Bella free kick to make it 2-0. The third goal resulted from a good clearance, which found Dean Dvornicic, and "Dino" took on the defence in style.

Our fourth division were beaten by RAAF 5-1 with all the goals scored in the first half. The game was played in good spirit and if they persist in this frame of mind for the rest of the season I'm sure they will move off the bottom of the ladder. In Colts B Trident Valley took on the leaders and performed well to keep the scoreline blank for 80 minutes, until Grange Thistle scored the only goal of the game. Bad luck boys and keep hanging in there. Trident Valley under 12's went to Bribie Island and came away with the two points, winning 3-1. They are playing well and should win the premiership this year.

TRIDENT VALLEY UNITED wish to thank their sponsors and supporters for their continuing backing during the season.

The Prong.

MITCHELTON

FIRST DIVISION —

THE Mustangs were at home last weekend to Coalstars and the game was important for both teams as only one point separates them at the top of the Premiership Table. The game was played in windy conditions with the breeze blowing directly up the field. The game started with Coalstars showing that they intended to remain as leaders. They were unlucky not to score in the 8th minute as Mitchie keeper David Gallagher made a point blank save. The first half remained scoreless with Coalstars playing the better football but they failed to finish off the well executed mid-field moves. Things looked bad for Mitchie when striker Garth Jones was carried off the field in the 35th minute with a foot injury. He was replaced by the eventual goal scorer Richard Shortman.

The second half started off in the same fashion with Coalstars taking command of the mid-field. This continued until the 71st minute when Mitchie received a corner which was perfectly taken by Peter McDonald. The cross found the foot of Richard Shortman, standing right in front, who slammed the ball into the net giving the keeper no chance. This goal gave Mitchie new life and they played their best football of the match for the next 20 minutes but even this did not stop Coalstars from putting up a do or die effort which nearly brought off the equaliser in the 89th minute. Keeper David Gallagher executed another good save to send his team to the head of the points table with the one goal to nil win. Special mention must be made of the performances of defenders Geoff Lincoln and David Gallagher.

RESERVES —

This was a kick and run affair with neither team able to handle the windy conditions. In the 43rd minute a Coalstars forward received a ball in the centre of the field, with a fellow forward standing a metre offside to his right. The Referee, standing at least 6 metres behind the Mitchie defence, and with the linesman's flag raised high, waved play on and the Coalstars forward just steered the ball around the Referee and the Mitchie keeper to make it NIL-ONE.

It makes one wonder why we have to pay for the services of linesmen when a club man could do the job and be ignored by the referee at no cost to the club. The decision did not deter Mitchie for it was only a minute later that Lex Robins anticipated a back pass and beat the keeper to the ball and steered it into the net to make the halftime score one all.

In the 78th minute Mitchie keeper Ross Gallagher could not hold a hot shot which was quickly picked up by a Coalstars forward to make the final result Coalstars 2, Mitchie 1. Bad luck Mitchie under the circumstances, you deserved at least a draw on the general play of the match.

Stable Hand.
