RIDGE REPORTING

THE Ridge found the going very tough in this match against a much improved Southside Eagles and any team who thinks the Eagles are an easy two points should be forewarned. As far as football went the Ridge were streets ahead but this does not necessarily win games and what Eagles lacked in skill they more than made up for in heart. In defence Eagles did very well to keep the Ridge out as they were under constant pressure and they also had their share of luck. This led to frustration for the Ridge as the forwards tried to do just a little too much in front of goal. We had a good chance in the 27th minute when Murray Kitching out Ferret Kean through but the ball was just running away from him as he tried to get his shot in.

Seven minutes later, Garth Wilson swung a gem of a ball across the park to an unmarked Nev Cruickshanks, whose 30 metre plus drive was well saved by the Eagles keeper.

The second half was a similar story and I felt we should have tested the keeper more, as he was suspect in the air, punching balls away instead of taking them cleanly. Again Ferret Kean had the best chance when he broke through but steered his shot wide. With nine minutes left Kitching scored the only goal of the match when he drove home a square pass from Jimmy Spence. I felt a little sorry for the Eagles defence as they had toiled so hard throughout and were well marshalled by Trevor Morris in the middle. Best for the Ridge were John Gillespie, Gerry Kay up front and Kitching, who has really settled in well, much to the dismay of Nick Griffin (note).

In the first game the story was very similar with the Ridge having the better of possession but had to fight all the way. The way we started it looked as if they would thrash Eagles in the same manner of the first round. In the 10th

minute Doug Carningham broke down the left and crossed a good ball to the head of Big Butts. This was one of the best goals of the season and even drew applause from normally conservative coach Jimmy Bentley. Eagles drew level just before halftime when a cross struck Fuzzy Hill on his big foot and went in.

You should have kept your mouth shut Fuzz as I thought Eagles attacker Tony Slater had scored. The winner was scored midway through the second half when Gerry The Fly McMahon received a good ball from Bob Davis and took on the defence before slotting past the keeper.

Man of the match for me was veteran Bobby Davis whose work rate showed up younger members of the team. I would also like to congratulate the referee for his handling of the game. The Colts had a very good win over Brisbane City on Sunday 4-2. City scored first after only five minutes but the Ridge hit back twice in the next five minutes, with two crackers from Tony McVie and Stewie Holmes. The Ridge went 3-1 up through Johnny Miller after good work by Ian Foster. City hit back to trail 2-3 but the Ridge put the result beyond doubt 10 minutes from time with Alan Hunter finishing off a good solo run with (yes) a right footer.

Mike Collins.

The gentlemen of the squad travelling away will think twice before they pinch anything off the ladies again. On Saturday night in Bundaberg they ran out of booze and proceeded to drink a cask of wine belonging to the ladies. Last Sunday they paid dearly for their actions and it hurt their pockets — they had to keep the said ladies supplied with "shorts" all evening. Still, they had the satisfaction of knowing there was probably many sore heads on Monday morning.

MITCHELTON STABLE TALK

THE first division were at home to Annerley with both teams needing two points, a fact I thought would have produced top football. Even though the play fluctuated from end to end we allowed them too frequently to bustle us off our game and they in part failed to control their emotions. This unfortunately resulted in two red cards to Annerley players, one in the 16th minute and the other in the 59th, while we allowed them back from 3-0 down to 4-2 with only nine players.

I believe the referee was down from the north for a field test and I can only say he copped a pretty comprehensive test player. In the 30th minute, Neil Orford took their defence on and put away a good shot for our first goal. Thirteen minutes later Richard Shortman made it 2-0 after Neil had been brought down in the box, and only 20 seconds into the second half Greg Hedger lobbed one over the keeper's head for our third. Not long after losing their second player, Annerley were unlucky to hit the side netting but soon scored their first goal.

In the 36th minute, from a move on the left by Garth Jones, Peter McDonald scored the goal of the match from 35 yards, cracking his shot under the bar. In the 38th minute, David Gallagher brought down one of their forwards diving for the ball from a corner and they pulled another back from the penalty spot. The reserve grade game could have gone either way. Ross Gallagher denied their right winger in the 15th minute and they bombed another chance soon after. Kieran O'Reilly was only a fraction of a second off heading in a good cross from Lex Robins. In the 35th minute, Annerley put away a rebound off our keeper and they went further ahead 18 minutes after halftime after a good run down the left.

Fifth division were away to North Star on Sunday in a game in which we had many chances but it took 40 minutes to put the first one away, Gary Ingram heading in a Bucky Beevers corner. Early in the second half Beevers made it 2-0 when he met an Ingram cross on the volley, and the ball was still rising as it hit the net. Six minutes later Ingram drove home our third and then ran onto a through ball to beat the keeper to make it 4-0. North Star pulled one back near the end.

The senior colts played the second game at North Star and we had our share of chances. Their keeper slapped away a lob from the right wing, Gary Thompson shot just wide and a Lex Robins shot skidded across the bar.

Then a lucky break to them, two minutes from halftime, in which most people in a position to see, except the linesman, claimed offside, made it 1-0. They scored three good goals in the second half with our only real chance coming when Shane Laird made a run down the left, drew the keeper and saw his shot go just wide of the post.

Stable Hand.

ANNERLEY ANALYSIS

by Bill Williams

FIRST DIVISION —

We played away at Mitchelton and what a disastrous game it was as we witnessed a most incompetent, inconsistent and irresponsible performance of refereeing I have ever seen. It is most unfortunate that a Referee had to be upgraded and examined on a most important 1st Division game. Mitchelton to stay at the top and we had a great chance to claim a position in the final four. Five minutes into the game, Brian Lampitt was sent off for the first time in his career for that "Language" rule!

With 10 men things started to go Mitchy's way and at the 20 minute mark they scored a very good goal. Not long after Neil Cathchpole was tripped regained his balance and again brought down in the penalty area, but the game continued. A short time after our central defender was running for the ball with a Mitchy attacker in hot pursuit our ref. blew his whistle for what we thought was a free kick for us only to find a penalty against us. 2-0 down at half time.

Mitchy scored soon after the start of the second half when John di with the sun in his eyes lost sight of the ball 3-0 down. Paul Welsh nearly got one back as it rebounded off the cross bar, then Mitchy's player let loose with some abusive language at his players with NO reaction from the referee, WHY? Then Keith Packer who was about to be replaced received his second mystery caution and hence the red card, and now we are down to 9 men.

Credit to the boys as they continued to attack and it paid off as a good cross from Paul Welsh found Phil Hall's head and a goal to us and it was a spectacular Victory Roll of Phil's as he made his way back to the half way. Mitchy had a break-away to put them 4-1 up. John Bridge was brought down in the "area" and this time made no mistakes from the spot. Both teams had more chances but failed to convert. With only 9 men for most of the second half, the boys played their hearts out and coach, Brian, must be very proud for it was a moral victory for us. It could have been a good game of soccer had it not been for the many unfortunate refereeing decisions.

Best players for Annerley would be John Bridge, Ron Tong, Phil Hall and Paul Walsh and hardly a bad game from the rest.

FIRST DIVISION RESERVE —

We started much the stronger and stayed that way much of the game. Neil Meurant nearly scored at the 30 minute mark. From a good through kick from Glen Harkness, Laurie Christensen scored on a third time lucky try. A free kick from Glen Harkness soon after made the Mitchy keeper stretch to save. The second half started a much even game and Mitchelton was always playing the off side and very effectively Glen Harkness beat the trap by going himself but unfortunately could not convert with only the keeper to beat. Laurie Christensen again beat the trap to score the second goal with a very good shot. Although this was the final score we had more chances and it was Mitchy who threw away an excellent chance to get one back late in the game. Tony Leckie coming back from injury, played a good game as central defender, Wesley Spark continually outjumped the opposition all day, Brett Sue See, as always reliable in goals.

FIFTH DIVISION —

For the first 20 minutes we were under pressure from Souths and were rewarded when they forced an own goal. Even at this stage, things did not look good as Souths experienced players were controlling the midfield at about the thirty-five minute mark, John Burges put Peter Carter through and from the resulting corner, Keith Sharrock headed in the equaliser. Minutes later Craig Roberts, with a good tackle found himself clear, laid back to Peter Carter whose shot hit the bar. Once again, John Burges but through Peter Carter and made good use of it and we were in front 2-1: Souths had a good opportunity to equalise late in the second half, and lucky for us straight at the goal keeper. Another good win for us to stay on top with good games from Scott Hartley, Erol Anderson, Dave Dougal and a better performance from Craig Roberts.

Instead of The Club Personality this week, Joe Wallbank, who has done a marvellous job for us at the Junction (and unfortunately his name was left off last week's list) lost his wife this week after many months of illness. The Club feels sadness with him with his loss.

I hope Bill Williams who just had an operation (Old mans complaint) will be back next week to write this article. Get well soon Bill.

CLUB NEWS

Last Saturday's Music Hall Revue was an unqualified success by all reports, they are even talking of holding another one later in the year. Coming up, teenage disco nights, a wine and cheese evening on Friday 31 July and other multifarious gatherings. We are doing everything possible to keep the place jumping over the weekends ahead.

—oOo—

Speaking of quiet weekends, now the school holidays are over, all juniors are now back in full training again, with naturally, full fixture programs scheduled every weekend. Usually the first fixture after the school holiday break is an anti-climax for all players as they take a week or two to get back into the swing of things. Hopefully this will not be the case this year, as a few of our teams are really in with a good chance of taking out honours this year.

—oOo—

Still on juniors, as mentioned a couple of weeks ago, we had a number of Thistle juniors taking part in their representative teams action at the State Titles around the State. One of the U15's John Perotte was not only successful in helping Brisbane North win the title at Rockhampton, but was also successful in attaining selection in the Queensland State Team to participate in the National Titles in Perth in September. Congratulations John and we trust you will uphold the traditions and honour of previous Thistle juniors that have succeeded in attaining the same. State selection.

—oOo—

Once more, our our top team is up to the semi-finals of the Ampol Cup, and once again, it will be Swan versus Swan. Ross is still holding down his place for us in State League and brother Ken, is still making the long trek from Blackwater to Rockhampton to play for Capricornia. This will be an even more interesting tussle as both teams will be vying for the Final. Thistle to atone for last year, and Capricornia for the first time ever. Not that we're biased, but we tip Thistle to go to the Final on August 16. Bad luck Ken.

GO SOCCER-VALLEY WORLD TRAVEL STATE LEAGUE

THANKS to the generosity of Guido Canale, the manager of Valley World Travel, Go Soccer is again able to conduct the Player of the Year competition for players in the State League. This is the third year the award has been conducted on State League, with the previous winners Steve Dolan in 1979 and Brian Kibbey last year. Remember, support the companies which regularly support Soccer and anytime you need travel requirements, make a point of getting in touch with Guido Canale. TRIDENT VALLEY TOPICS

THE premier team of our club maintained their position at the top of the ladder by beating Darra 2-0. We could not penetrate Darra's defence in the first half and their keeper was in top form, especially when saving a Phil Cruse shot. The second half and slowly but surely we mounted the pressure on Darra's goal and the defence finally cracked when in a scrambling situation they put one past their own keeper. With 13 minutes left, Darra made their last attempt and it almost came off when they forced a corner and headed just over the bar. With a few minutes left, Ian Gentles, after replacing Tom Pike, took a free kick which found Cruse and his attempt was partly saved by the keeper. The ever present John Kennedy pounced to make it 2-0. It was another team effort and in this frame on mind they deserve their position on the ladder.

The reserves match was a fast and furious affair and Darra took the lead with a header, with our keeper failing to either come out like a train and punch clear or catch it in the first place. Trident Valley regrouped and produced some of the best football, in the last 15 minutes, that I have seen from them. Leo Beninca robbed their midfielder, passed to Dave Edwards and he unselfishly passed to Dean Dvornicich, who was in a better position to accept the equaliser. In the second half Peter Carey replaced Mickey Dorian and the second half followed the same pattern until our keeper conceded a stupid penalty.

The referee at first awarded an indirect free kick but after consulting the linesman awarded the spot kick, which put Darra ahead 2-1. Within a few minutes Trident Valley equalised when Carey lobbed over the keeper.

Our Colts had a bye and retained their position on the table. The under-12 lads also did the same as no fixtures were played. The fourth division was away to South Star and won 4-2 to clock their second win of the season. We were down 1-0 at halftime through a 30th minute goal, but we should have scored on several occasions.

After the break it took only three minutes for our equaliser and shortly after we hit the front after hitting the crossbar twice. South Star received a doubtful penalty to level at 2-2. But in the style we like to see the Trident Valley boys stormed home to score two more and win 4-2. Once again we are grateful to our sponsors for their continuing support throughout the season.

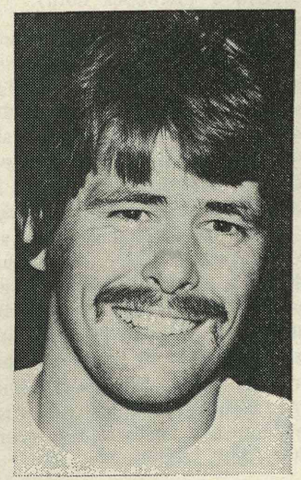
STATE LEAGUE ROUNDUP

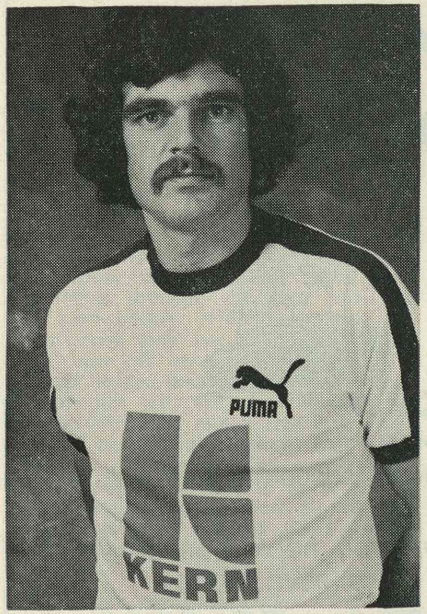
TOWNSVILLE UNITED 4 (McGuiness 18th, 88th; Walton 49th; Trovalusci 66th) d ACROSS THE WAVES 2 (Kenny 27th; Wood 70th). Halftime 1-1. Referee — Allan Kibler, rating 9.

Waves were against the odds almost from the outset, following the loss of Ron Smith in the 18th minute after an incident involving Cliff Whiteside. To make things worse, the incident also led to a penalty, which Bobby McGuiness slotted away. But Waves came back manfully and levelled before halftime with Tom Kenny cracking a 25 metre drive which gave Phil Figgins no hope, Two goals in the second half seemingly would have been sufficient to kill Waves off.

Tom Walton finished off a McGuiness cross and the latter then combined with Paul Trovalusci for the third. But Waves' outstanding player on the day, John Wood, picked up a Dave Costa back pass to give his team some hope. The final nail however was a disputed penalty from McGuiness after referee Kibler ruled Morris Zaina had fouled Mick Geoghegan.



Phil Thompson



Tom Walton (Townsville)

MT. GRAVATT 2 (G. Bohan 8th, 80th) d WYNNUM 1 (Rehbock 60th).
Halftime 1-0.
Referee — Jack Wood, rating 8.

A match of two halves was one description of this game, with the unlucky Wynnum again failing by just a single goal. Mt. Gravatt were far superior in the first half and probably should have led by more than just Gary Bohan's eighth minute effort. Mt. Gravatt also had a setback when Archie Fraser was taken to hospital with a dislocated elbow. Wynnum came back into the picture after the break and pulled level through Nigel Rehbock. Bohan's second goal 10 minutes from the end provided the difference although Wynnum should have had at least a point but for two costly misses near the end from Allan Collins.

—oOo—

EASTERN SUBURBS 2 (Brusasco 47th; Donsky 57th) d GRANGE THISTLE 0. Halftime 0-0. Referee — Dave Nugent, rating 8.

Thistle's top four hopes took a nosedive in this match after the Tigers got on top in the second half. The first 45 minutes was pretty even, with each side having a gilt edged chance. Phil Thompson hit the crossbar for the home side and Wilson Maelaua bombed an open goal for Thistle. Easts' first goal, just after halftime, obviously came at the right time and Thistle's best player, Keith Marsh, was unlucky to be the offender when Mark Brusasco despatched a penalty for handball.

Thistle lost all hope of getting back into the match after Lex Donsky delivered what could be termed a shock goal from deep on the left in the 57th minute. From then on it was mainly all Easts and they could even have added a couple more.

—oOo—

IPSWICH UNITED 2 (Kathage 44th; Kitching 89th) d CAPRICORNIA 1 (W. Druery 40th). Halftime 1-1.
Referee — Bill Turkington, rating 6.

In an entertaining match, Ipswich scored late in each half to down the unlucky Capricornia. Brett Druery scored in the 20th minute only to have it disallowed, even though it seemed legitimate to the majority. But the referee's gesture indicated keeper John Bennett had been impeded. Just 20 minuts later, Jeff Dann, in attempting to clear, only succeeded in cannoning the ball into Wayne Druery, giving Bennett no chance. Bryan Kathage, who looked dangerous several times, found space on the left to beat the reliable Steve Cunningham with the first half almost over. Prior to that he had saved certain goals from Jon Kitching and John Miller. Ipswich got the winner in the last minute when Kitching made no mistake.

Just before that, Mark Rycen headed away a certain goal, Brett Druery shot wide from the six yard line with Bennett beaten, Ian Lawrie chipped straight to Cunningham, who then tipped a Dann shot over the bar.

FROM THE EAGLES NEST

LAST Saturday week we were hosts to Salisbury and after a shaky start in the first few minutes our first division settled down and played some good football. A few minutes before halftime we were unfortunate to lose Alan Danvers, who was fouled and broke his arm as he went down.

In the second half Eagles played with more determination and were rewarded in the 10th minute when John Perkins put a good ball through for Alan Teague. Salisbury tried to come back but found the Eagles defence, particularly keeper Keith Harris, in fine form. The remainder of this half was a poor spectacle as the referee lost complete control of the game and our players started to retaliate, which I don't condone, but won't condemn either, because if the referee does his job the game would not get out of hand.

Our reserve team had their biggest win of the season. It took only 11 minutes for captain Steve Hendy to score his first goal, combining with Paul Ramella. Fifteen minutes later Tony Slater proved that persistence pays off, pouncing on a mistake by the keeper, who tried to roll the ball out. Eagles continued to attack and led 3-0 before the break through David Banks.

We stayed on top in the second half and our keeper Wayne Niven easily handled the infrequent Salisbury attacks. Slater provided the leadup for Hendy's second goal and Salisbury pulled a goal back near the end from a penalty. Credit goes to the referee, who had firm control of this game from the first whistle, allowing the game to be played in much better spirit. The club wishes Alan Danvers a speedy recovery from his broken arm.

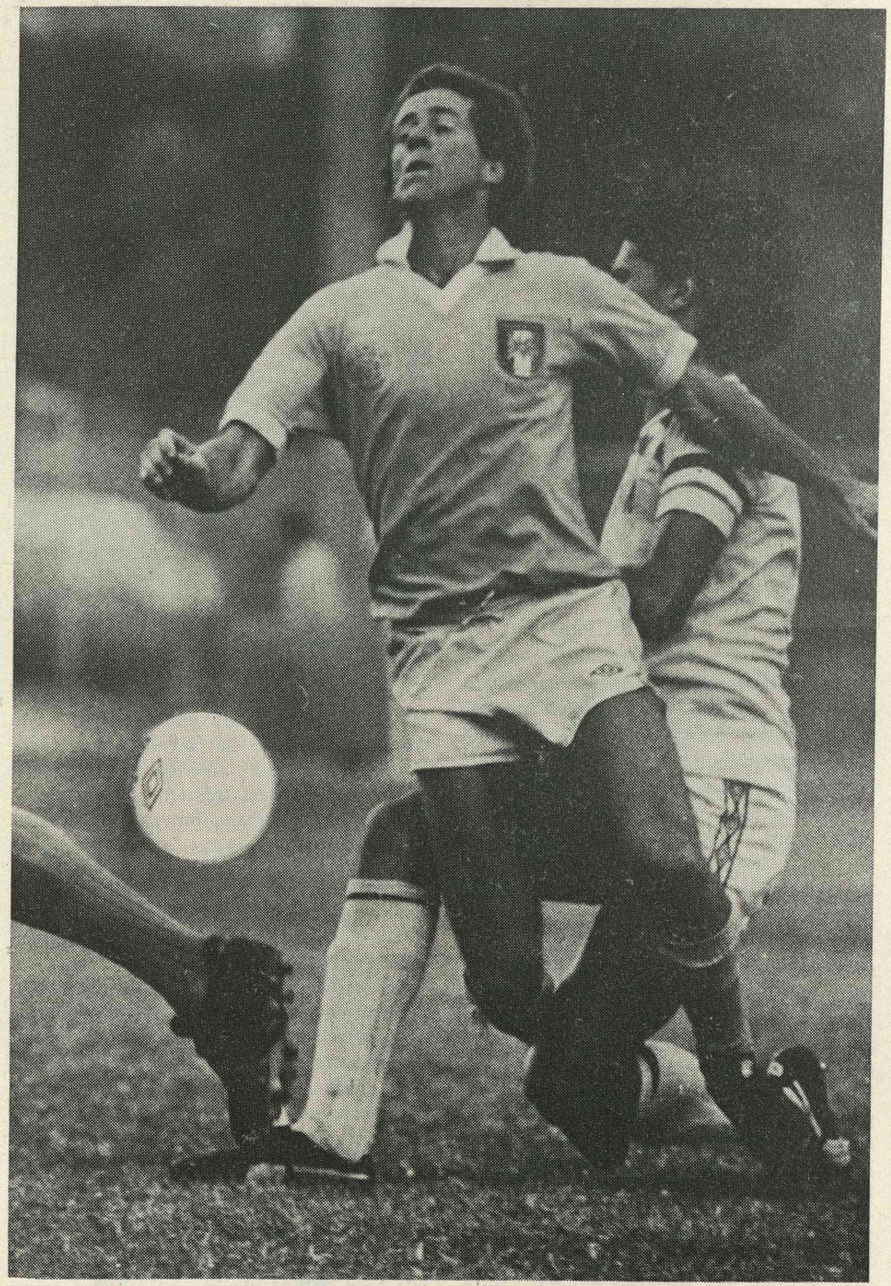
After last weeks double win against Salisbury, it was disappointing to see both teams go down this week to Acacia Ridge. Our first division were without the services of Alan Marszalek who was out through suspension and Alan Danvers who has a broken arm and their loss was felt, particularly as Alan Danvers has been the commanding force in midfield in our recent games.

However, Eagles defence did well in keeping Acacia Ridge out and it seemed like we would come away with a point till twelve minutes before full time when Acacia Ridge scored the only goal of the game, which, in all fairness, they deserved.

Our reserve team is playing better every week. To watch Saturdays game, no-one would believe it was the top team playing the bottom team. After ten minutes of play Acacia Ridge scored the first goal, a perfectly timed header from a crossed ball on the left wing. But Eagles kept up the pressure and were rewarded in the fortieth minute when Scott Stone put in a cross from the wing which the keeper failed to take cleanly and the ball went through him and that levelled the score. Eagles could well have gone ahead two minutes later when Jeff Oberg had a shot blocked on the line, but it was not to be.

The second half could well have gone either way, as both teams played good attacking football, but Acacia Ridge got the break fourteen minutes before full-time and Eagles could never get back in, and the score went 2-1 to Acacia Ridge. This score is no blemish on the teams performance as they really played well enough to at least get a point.

A Feather from the Nest.



DEFINITELY a foul here as City's longest serving Gladiator Larry Gaffney would testify.
